*Jessica Salmon
Assistant Principal*

Greetings Parents,

Thank you for your patience as we navigate these first-time experiences and this period of uncertainty for all Georgia school districts. I am so impressed with the Parents and Guardians that have stepped in and assisted their kiddos with the assignments online. Please complete the Parent [Survey](#) asking your thoughts about the first week of online learning your students engaged in. There are now paper copies available outside of the school that are available for parents to pick up for children that do not have access to a device.

GA Milestone Testing: The GADOE has cancelled Georgia Milestone testing for the 2019-2020 school year. This includes End of Grade Testing (EOG), Georgia Alternative Assessments (GAA).

Meal Service Plan: We begin providing ‘grab and go’ meal service at our school beginning Monday, March 23, 2020. Meal service will be available from 11:00 am to 1:00 pm.

The most up to date information can be found on the South Salem Elementary School website as well as the Newton County Schools website. Please check both pages often.

Thank you and please remain safe during this time.

Mrs. Bostic
Principal
South Salem Elementary School
